Following is the statement of status of admission and payment of Post Graduate Courses under Faculty Council (Sc) in respect of 1st Merit List published on October 5, 2021. As was declared earlier, the payment link (through User Id & Password) for candidates not making payment and the candidates whose payment resulted in failure will be opened at 12 am on October 9, 2021. The link would remain open till 12 am on October 11, 2021. There is a possibility that despite a successful payment, the system may show the payment as failure due to technical reasons. Therefore, students are asked not to make any second attempt of payment if their attempt of payment is shown failure in the first attempt. For those cases, University will take special care to give them yet another chance after verification from bank.

Next round of admission will be taken up after Puja recess which will be done through an online counselling through Google Forms, detail of which will be notified later.
