

Reunion of Students, Teachers and Staff of the Department of Mathematics:

Duration: April 07-08, 2018

Scope and Programme

The aim of the Reunion is to create an opportunity to make an assessment of the contribution made by the Alumni, former teachers, present students, teachers and staff of the Department in developing a rich tradition of the Department. A large number of former students working at different spheres are expected to participate in the occasion. To commemorate this special occasion a souvenir will be published which may play a vital role in upholding the values of our life

Weather

The temperature in Burdwan during April is approximately in the range of 22°-33°C.

Accommodation

All participants will be provided local hospitability. However, accommodation will be provided for a limited number of participations on share basis in the University Guest House.

Registration fee :
