Some important information:

1. The e-mail address of communication for the National Seminar is :

nscmpla2019@gmail.com

2. For submission of ABSTRACT (*except Invited articles*), the authors are required to submit a 1-page extended abstract which have to be prepared strictly following the format given in the announcement of the National Seminar.
3. If there is more than one author for a manuscript, it must be clearly indicated (in the abstract) who will be the presenter of the research work during the Poster session. Only the presenter of the paper will get the presentation certificate while other coauthors, if participate (with proper Registration), will get the participation certificate. If the indicated presenter cannot be able to present the work, the person who will ultimately present the work will get the presentation certificate.

Call for Papers

A National seminar on Recent Trends in Condensed Matter Physics including Laser Applications (NSCMPLA-2019) will be held during January 16-18, 2019 at Burdwan University, West Bengal, India. The seminar is being organized by Department of Physics, The University of Burdwan under UGC CAS-II programme. Academicians, Scientists, Research Scholars and students are invited to attend the seminar. The seminar will consist of invited talks by eminent scientists and academicians of India covering various relevant topics. Prospective authors are encouraged to submit their original research work for interactive oral/ poster sessions.

The topics for sessions include, but are not limited to the following:

- Nanomaterials: synthesis, characterization properties and applications
- Magnetic materials and their applications
- Surface, interface and thin films
- Glasses and amorphous materials
- Biomaterials
- Dielectric materials and applications
- Tunable Laser sources and applications
- Laser materials and applications
- Photonics and Lightwave Technology
- RF and Microwave device and applications.

Paper Submission

Authors are requested to submit a 1-page **abstract** by email only. The paper must be prepared in MS Word/ Open Office Word processor in **.doc/.docx format** written in English as per the following format in Times New Roman Font.
