**University Science Instrumentation Centre**  
**Golapbag , Burdwan – 713 104, West Bengal**

**Course on**  
***Scanning Electron Microscopy : Medical Applications***

The University Science Instrumentation Centre (USIC) of Burdwan University will organize the next three-day course on ***Scanning Electron Microscopy : Medical Applications*** focused on medical and life sciences during February 29 – March 2, 2012 for Post Graduate Trainee (MD/MS students), Research Scholars of Universities & Colleges of West Bengal. **Course Fee (including working lunch and tea):** Rs. 2000/- . **Food and Lodging:** May be arranged in the University Guest House with prior request on payment of additional charges of Rs. 800/- per head (payable in cash at the registration desk on the date of inauguration) for entire duration of the course (three night stay).

With an objective to appraise of the vast potentiality of this very sophisticated instrument in medical sciences the course covers the basic instrumentation, its scope and limitations, a few important sub-systems & accessories and their role in sample preparation, elaborate sample preparation techniques and interpretation with regard to a few medical as also life material specimens including laboratory practices. The programme will have both theoretical and practical hours of deliberations from 10.30 am to 4.30pm each day. After completion of the course each of the participants will be provided with a certificate of participation, Booklet, course kit, etc.

Interested persons may apply for participation by furnishing the details as per the proforma attached herewith, along with the requisite Course Fee in the form of Demand Draft/Pay Order drawn on any Nationalised Bank payable at Burdwan in favour of “**Finance Officer, Burdwan University**” to the **The Head, USIC, Burdwan University, Golapbag, Burdwan – 713 104** definitely on or before February 17, 2012. The Application Proforma may be copied as per requirement. **Seats are limited.**

Selected candidates will be intimated in due course. No TA/DA will be provided. **Applicants not selected will have their course fees refunded.**
