

## Dear Colleagues and Friends,

We would like to cordially invite you to attend the **International Symposium on Human Genetics – Population and Disease and Workshop on Thalassemia** on August 24-25, 2018 in Department of Zoology, The University of Burdwan. The symposium and workshop will be taking the step for showcasing the latest findings in the field of human genetics, both basic and applied and emphasising the multidisciplinary and international remit of the Society. Department of Zoology, The University of Burdwan also treasures a notable scientific tradition. Department of Zoology, providing the right climate for an international scientific meeting such as this symposium and workshop.

We are very much looking forward to an exciting and inspirational meeting and to seeing you in Department of Zoology, The University of Burdwan on August 24-25, 2018.
