RESOLUTION

The API Committee in its meeting held on 23<sup>rd</sup> August 2017 at 3 PM has unanimously resolved the following:

As per the UGC notification dated 11<sup>th</sup> July 2016, a teacher applying for promotion under CAS as well as cand dates applying for selection under open post will have to submit API claim under Category III (Research and Academic Contribution).

The said UGC notification also prescribes that under Category III (B), the list of different types of books claimed by the applicants (text/reference books published by International publishers with ISSN/ISBN number, subject books published by National publishers with ISSN/ISBN number, subject books published by local publishers with ISSN/ISBN number, as well as Chapters in books published by National and International publishers with ISSN/ISBN number) will have to be ratified by the University and uploaded at the University website.

The API Committee of The University of Burdwan has sought list of such books from the HODs and it will be placed for EC's approval shortly.

The API committee is of the opinion that all types of books and chapters in books containing ISSN/ISBN number in the concerned subject may be accepted for granting API score as per UGC's notification to the applicants who have qualified for either CAS or have applied for selection under open post on and after 10<sup>th</sup> January 2017.

The API Committee also feels that applicants shall provide proper documentary evidences in support of their API claims under category II and III.

The matter may be placed before the EC for kind approval.
