

MoU signed between CSIR-NPL and The University of Burdwan

A memorandum of understanding (MoU) has been signed between CSIR - National Physical Laboratory (NPL), New Delhi and The University of Burdwan, West Bengal today 05-10-2023 in the presence of Director, National Physical Laboratory and Senior Scientists on NPL and Registrar, The University of Burdwan at NPL premises, New Delhi. This MoU will promote long and short term faculty/ researcher exchanges, internship of students, collaborative research currently with special emphasis on GNSS and NavIC based positioning and timing applications; in future collaborations in other fields would also be explored. The MoU also encompasses scopes for joint applications for funding to different agencies. This MOU would be beneficial both for the researchers and students of the University and would open up new possibilities of joint research. Authorities from both the organisations expressed their hope for a fruitful execution of the works in their designated areas.
