

List of Major & Minor Subjects for 3- Yr. / 4- Yr. Degree/ Hons. Programmes under CCFUP as per NEP, 2020

Sl. No.	Major Subject 1	Minor (2)	
		A (Allied Subjects/ Disciplines) 3 courses in 1st, 2nd & 5th sem. (i)	B (Subjects/ Disciplines for Students' Choice) 2 courses in 7th & 8th sem.
1	Anthropology	physics, chemistry, botany, zoology, physiology, nutrition, economics, mathematics	Any subject of (i) apart from the allied minor already chosen by a student.
2	Arabic	bengali, english, french, hindi, sanskrit, santali, urdu	Any subject of (i) apart from the allied minor already chosen by a student.
3	Bengali	arabic, english, french, hindi, sanskrit, santali, urdu	Any subject of (i) apart from the allied minor already chosen by a student.
4	Biotech.	chemistry, microbiology, zoology, physiology, mathematics, analytical techniques, computer Science, computer application	Any subject of (i) apart from the allied minor already chosen by a student.
5	Biochem.	Chemistry, Physics, Zoology, Botany, physiology, Mathematics, computer science, Computer Application	Any subject of (i) apart from the allied minor already chosen by a student.
6	Botany	Chemistry, Zoology, physiology, microbiology, environmental science, plant protection Mathematics, computer science, anthropology	Any subject of (i) apart from the allied minor already chosen by a student.
7	Chemistry	Biochemistry, Physics, Zoology, Botany, physiology, Mathematics, computer science, environmental science, Computer Application	Any subject of (i) apart from the allied minor already chosen by a student.
8	Accountancy/ Finance	Economics, Statistics, Mathematics, Computer science, Business Administration,	Any subject of (i) apart from the allied minor already chosen by a student.
9	Comp. Sc.	physics, chemistry, mathematics, electronics, computer application	Any subject of (i) apart from the allied minor already chosen by a student.
10	Economics	mathematics, political science, sociology, psychology, chemistry, physics, computer science, computer application	Any subject of (i) apart from the allied minor already chosen by a student.
11	Education	Open for all subjects of Arts & Science streams	Any subject of (i) apart from the allied minor already chosen by a student.
12	Electronics	Physics, Chemistry, Mathematics, Computer Sc., BCA	Any subject of (i) apart from the allied minor already chosen by a student.
13	English	bengali, english, french, hindi, sanskrit, santali, urdu	Any subject of (i) apart from the allied minor already chosen by a student.
14	Env. Sc.	Physics, Chemistry, Mathematics, Zoology, Botany, Biotechnology, Geography, Geological Science	Any subject of (i) apart from the allied minor already chosen by a student.
15	French	Open for all subjects of all streams	Any subject of (i) apart from the allied minor already chosen by a student.
16	Geography	Environmental Science, Geology, Anthropology, Sociology, Tourism, Political Science, Bio-Science, History, Economics	Any subject of (i) apart from the allied minor already chosen by a student.
17	Geology	Physics, Chemistry, Mathematics, Zoology, Botany, Biotechnology, Geography, Environmental Science	Any subject of (i) apart from the allied minor already chosen by a student.

18	Hindi	bengali, english, french, arabic, sanskrit, santali, urdu	Any subject of (i) apart from the allied minor already chosen by a student.
19	History	Political Science, Economics, Sociology, Philosophy, Anthropology, Education, English	Any subject of (i) apart from the allied minor already chosen by a student.
20	Mass Com. & Journalism	Open for all subjects of all streams	Any subject of (i) apart from the allied minor already chosen by a student.
21	Mathematics	Physics, Chemistry, Statistics, Computer Science, computer applicatiobn	Any subject of (i) apart from the allied minor already chosen by a student.
22	Microbiology	Botany, Chemistry, Zoology, physiology, environmental science, plant protection Mathematics, computer science, anthropology	Any subject of (i) apart from the allied minor already chosen by a student.
23	Music	Open for all subjects of all streams	Any subject of (i) apart from the allied minor already chosen by a student.
24	Nutrition	anthropology, physics, chemistry, botany, zoology, physiology, economics, mathematics	Any subject of (i) apart from the allied minor already chosen by a student.
25	Philosophy	Open for all subjects of Arts & Science streams	Any subject of (i) apart from the allied minor already chosen by a student.
26	Physics	Electronics, Biochemistry, Chemistry, Zoology, Botany, physiology, Mathematics, computer science, environmental science, Geology	Any subject of (i) apart from the allied minor already chosen by a student.
27	Physiology	anthropology, physics, chemistry, botany, zoology, nutrition, mathematics	Any subject of (i) apart from the allied minor already chosen by a student.
28	Pol. Science	Open for all subjects of Arts & Science streams	Any subject of (i) apart from the allied minor already chosen by a student.
29	Psychology	Economics, History, Political Science, Geography, Sociology, Philosophy, education, Languages, chemistry, zoology, computer sc., env. Sc., microbiology,	Any subject of (i) apart from the allied minor already chosen by a student.
30	Sanskrit	bengali, english, french, hindi, sanskrit, santali, urdu	Any subject of (i) apart from the allied minor already chosen by a student.
31	Santali	bengali, english, french, hindi, sanskrit, arabic, urdu	Any subject of (i) apart from the allied minor already chosen by a student.
32	Sociology	Open for all subjects of Arts & Science streams	Any subject of (i) apart from the allied minor already chosen by a student.
33	Statistics	Physics, Chemistry, Mathematics, Computer Science	Any subject of (i) apart from the allied minor already chosen by a student.
34	Urdu	bengali, english, french, hindi, sanskrit, santali, arabic	Any subject of (i) apart from the allied minor already chosen by a student.

35	Zoology	anthropology, physics, chemistry, botany, physiology, nutrition, mathematics	Any subject of (i) apart from the allied minor already chosen by a student.
36	BFA	Open for all subjects of all streams	Any subject of (i) apart from the allied minor already chosen by a student.
37	BBA (H)	Economics, Statistics, Mathematics, Computer science, commerce,	Any subject of (i) apart from the allied minor already chosen by a student.
38	BBA (T&H)	Economics, Statistics, Mathematics, Computer science, commerce, history, english	Any subject of (i) apart from the allied minor already chosen by a student.
39	BCA (H)	Physics, Chemistry, Statistics, mathematics, computer application	Any subject of (i) apart from the allied minor already chosen by a student.
40	Defence Studies	Open for all subjects of all streams	Any subject of (i) apart from the allied minor already chosen by a student.
41	Physical Education & Sports	Open for all subjects of all streams	Any subject of (i) apart from the allied minor already chosen by a student.
42	Plant Protection	Chemistry, Zoology, physiology, microbiology, environmental science, botany, Mathematics, computer science, anthropology	Any subject of (i) apart from the allied minor already chosen by a student.
