Sir,

You will be delighted to know that Department of Lifelong Learning, The University of Burdwan, conducts "Diploma in Cyber Law" course as one of the employment generating courses. As a part of this curriculum the students have to undergo a ten days intern programme to get them acquainted with real life cyber crime problems. Under this circumstance we will be highly obliged if you co-operate with us by allowing two batches (13 each) of students for intern programme at your Cyber Crime Police Station of Burdwan considering the long standing relationship between The University of Burdwan and Burdwan Cyber Crime Police Station.

Thanking you,

Yours faithfully,

*A Chatterjee*  
Joint Director,
