Dear Anirban Ash,

The evaluation of the proposals for the LinnéSys: Systematics Research Fund, funded by the Linnean Society of London and the Systematics Association, has now been completed and I am delighted to let you know that your application for a grant of £1000 was successful.

Priya Nithianandan at the Linnean Society manages the finances for this award (cc'd). His email address is priya@linnean.org. Please contact him to arrange transfer of funds. Details of the information required for this are provided below for both UK and international awardees.

**DETAILS REQUIRED FOR BANK TRANSFERS****UK based applicants**

Funds are transferred electronically, please supply the following details to Priya Nithianandan (priya@linnean.org):

1. The name of account.
2. Bank name
3. The sort code
4. The account number

**International applicants**

Funds are transferred by International bank Transfers, Please supply the following information relating to the final destination bank account (i.e the holders bank account details) to Priya Nithianandan (priya@linnean.org):

1. Beneficiary Name
2. Beneficiary Address including country
3. IBAN code OR beneficiary account number
4. Account Currency.
5. Bank name and Bank address OR Swift ID

**Please note:**

1. Any fees charged by the banks will be deducted from the grant.
2. Please note that incomplete information will incur bank charges and delays.

**Please note that awards which remain unclaimed after 3 months will not be paid.**

A condition of the award is that a report is submitted on the work carried out using the LinnéSys funds by 31st August 2023. The report should be no more than 500 words and it should be sent to me. Reports may be displayed on the Systematics Association and Linnean Society websites and suitable images to accompany the reports would be welcome. We also ask your report to (i) confirm that the funds were used for the purpose awarded and (ii) provide details of any outputs or planned outputs.

Finally, we would like to list the names of the awardees, institutions and the title of the project on our webpage: <https://systass.org/> . In order to be in compliance with the General Data Protection Regulation, I would like to ask if you agree to your details being listed on the webpage.

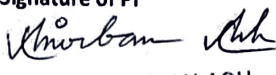

Congratulations again on your award of a LinnéSys: Systematics Research Fund grant!

Kind regards,  
Anne
