To whom it may concern

Certified that Chiranjit Malo, a student of M.Sc Botany, of Burdwan University Session 2017-19 has taken classes in class X & XII of this institution on 22nd June 2019, on his course material. His presentation is good. I wish him success in life.

My planning:

I meet the headmaster of 'Bishpara High School (H.S.), Bishpara, Nayasarai, Hooghly to complete my program with his students of class X and XII. 22nd June I arranged my program and complete with joyful. I gave some information and I take a great enjoy.

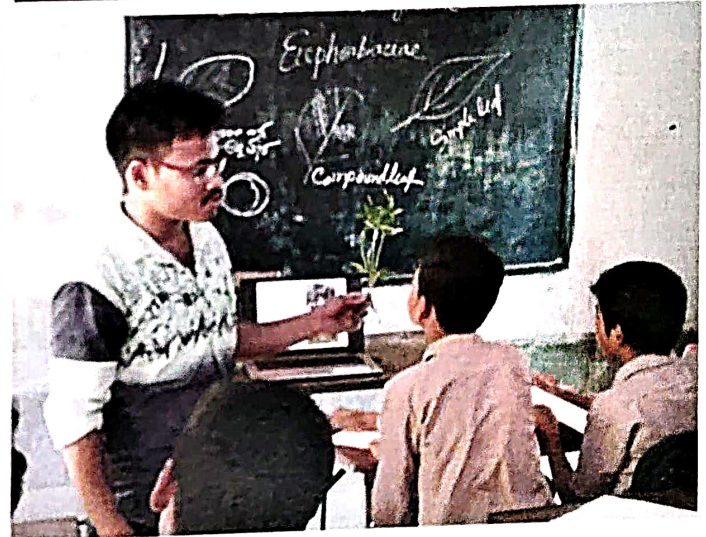

In introductory portion I discuss

- What is Plant?
- What is Botany?
- What is Diversity?
- Every organism needed for a healthy Earth.
- What is the role of plants and animals in build of a Healthy Diversity?
- Inter-relationship with each other.
- What is variation of plants?

Chiranjit Moh
