1. Sports competitions/events

Sports Activities in the University The University of Burdwan has succeeded in making significant improvements in its infrastructure for sports and co-curricular activities, including the successful maintenance of its National-level grounds, courts, tracks at its campus. Sports department and the Physical Education department with the stadium, gymnasium, impressive games courts and running tracks provides avenues for sports and games.

The participation of University students in various national/international level athletic and sports events including football, table-tennis, indicates the vibrancy of the sports culture inculcated. During XIIth plan the University spends Rs 1, 31,000,00/- (approx.) in sports to build / renovate the infrastructure. Consequently, organization of National University Games in various discipline either in the regional or national level as well as arrangement for holding Coaching camps in different games like Football, Cricket, Volleyball, Basketball, Handball, Table-Tennis, Kabaddi, Kho-Kho, Athletics, Yoga, Best Physics, Badminton etc., have been facilitated. This helps to infuse in students the experience of true learning, of losing themselves in sports; the free and loving exchange of ideas between minds; the excitement of sharing new insights; the effectiveness of joint effort; augment their managerial skills; influence thinking and transform lives. Literally, student societies of the University of Burdwan engage in multifarious activities ranging from music, literature, sport, politics, performing arts, popular science to social and developmental work and much more.

The University of Burdwan has a multigym centre with four sets of sixteen station multigym facilities. Currently The University of Burdwan has a sports hostel for players who participate in various sports and games events. Half of the indoor hall with modern sports facilities has already been completed and the rest will be completed soon. At present the university has a gymnasium hall for the students of the university to play indoor games.

The University of Burdwan is going to build a new sports hostel at a cost of Rs. 80 lakhs (approx) and necessary steps have already been taken for the completion of this project. Burdwan University also plans to build a new multigym fitness centre with modern state-of-the-art equipment facilities in the near future.
