

Name: Dr. Tapasi Das
Designation: Lecturer in Mathematics
Address: University Institute of Technology
Burdwan University
Golapbag(N), Burdwan-713104
Phone: 0342-2558777/2558787 (Office)
Qualification: M.Sc. in Applied Mathematics, Ph.D. from Jadavpur University
Area of interest: Bio-Mathematics
Publications (No.): Five in different reputed International and National journals
Latest Publications: 1. Harvesting of a prey-predator fishery in the presence of toxicity, **Applied Mathematical Modelling** (Elsevier Publishers), vol.**33**, issue**5**, May'09,2282-2292.
2. Capital theoretic analysis of a Holling-Tanner type prey-predator fishery with taxation as a control instrument, **International journal of BioMathematics** (World Scientific Publishers), Vol.**2**, No. **2**, June'09,151-165.
3. Bioeconomic Harvesting of a prey-predator fishery-**Journal of Biological Dynamics** (Taylor & Francis group), vol.**3**, No.**5**, Sept.'09, 447-462.

Experience: Working as Lecturer in Mathematics at UIT, B.U. since 2002
